- **Event Updates/Discussions**
 - **Give Thanks Turkeys** – all classes were given a feather so that students can write down what they are thankful for and then put feathers around the turkey. The purple board is for upper grade students and the yellow board is for the primary students.
 - **Science Camp** – students are attending in February and all donations are due December 1st. It was asked if HSC keeps track by student, and the answer is no, due to CA law, that the money goes into a general fund. If there is not enough funding, then students will not attend Science Camp, and the donations would be used for a Science event for the 6th graders. Also HSC cannot return funds as it is considered a donation.
